Tuesday Night

Letter telling
of East Central

of Accreditation
Junior College

Dearest Aunt,

I came over from Nashville
last night have been very busy all
day. I have good news. We
have made the grade with
the Junior Lodge Commission —
you can tell Ray & Mr. Johnson
per. Thomas, etc. But this is not
official and will not be until
Friday — the Higher Commission
has to pass on the recommendation.

I was loaded for the

Committee — went in and
received a rather cold

welcome — was
asked two or three

Dissertation Item

L. O. Todd

4:35 Begun
5:12 quit
used - 37 minutes

1. In five minute's time give the committee a rapid overview or review of your study.
2. Discuss your dissertation from standpoint of reliability and validity.
3. Distinguish between validity and reliability in your data.
4. Can you defend a dissertation based on a questionnaire?
5. Is your study original? Why?
6. What are the weak spots in your study? Strong points?
7. Is your study exhaustive? Why?
8. What other studies would you suggest be made as a follow-up of your study?
9. Just what good is your study?
10. How can school men use your results?
11. Would your recommendations correct (if followed) the evils or weaknesses in your junior college program in Mississippi?
12. Distinguish between "general education" and "college preparatory" education.
13. Just what do you mean by the term needs?
14. Does your findings concur with the facts and findings of W. C. Baile in Terminal Education?
15. Why do junior colleges need end course training? Terminal courses sometimes called?
16. Suppose you state your general conclusions and findings stated in Chapter 7. Be as brief as you can.
17. What are your recommendations which you feel would meet these needs if followed?
